This memorandum provides guidance regarding submission of subgrant agreements for LSC approval for grant year 2014.

The subgrant approval process established in 45 CFR § 1627.3 allows 45 days for LSC's review of proposed subgrant agreements. *See* 45 CFR § 1627.3(a)(2). This time line requires that subgrant agreements with a January 1, 2014 commencement date be submitted to LSC for approval ***no later than*** November 17, 2013.

As noted in last year's guidance Memorandum, LSC will continue to utilize the same basic Subgrant Agreement Form as in years past, but LSC now requires that each applicant submit its request(s) for approval electronically. The ***online application*** system can be accessed via each recipient's LSC Grants home page at <https://grants.lsc.gov>. As part of the online application process, recipients will be required to input information that was previously submitted in hard copy via the Subrecipient Profile and Budget Forms. To assist recipients in gathering the necessary information, these forms are included with this Memorandum.

In addition, to complete the online application process, recipients must upload a pdf of the fully executed proposed subgrant agreement. To facilitate and expedite approval of 2014 subgrants, recipients are encouraged to use the Subgrant Agreement Form enclosed, which is the same form used last year. If the Subgrant Agreement Form provided by LSC is not used, the proposed agreement should include, at a minimum, the substance of the provisions of that form.

**To obtain approval for subgrants with a start date of January 1, 2014, recipients must complete the online intake process as soon as possible, but no later than**

**November 17, 2013, at which point the online system will be closed for the submission of subgrants with a January 1, 2014 start date.** Only requests submitted via the online application system will be considered. Any request for subgrant approval submitted to LSC in hard copy or email will be returned. As a reminder, recipients should ensure that an audit for each of their 2012 subrecipients has been submitted to the Office of Inspector General in accordance with the terms of their 2012 subgrant agreements.

### **Applicability to All LSC Grants**

Recipients are reminded that 45 CFR Part 1627 applies to *all* grant funds received from LSC: Basic Field, Native American, Migrant, and Technology Initiative Grants. All LSC grant recipients should review the provisions of 45 CFR Part 1627, especially the definitions at Section 1627.2 to ensure that advance approval is requested and received from LSC before the commencement date of the subgrant agreement. Recipients are also reminded that using LSC funds for a subgrant agreement without receiving LSC's prior approval may result in the initiation of a questioned cost proceeding under 45 CFR Part 1630 to recover the funds expended.

Under 45 CFR Part 1610, a subgrant of LSC funds is considered a Part 1610 transfer of LSC funds in almost every situation. This regulation implements statutory restrictions on the use of non-LSC funds by LSC recipients. With the exception of PAI transfers, the prohibitions and requirements in Part 1610 apply to both the LSC and non-LSC funds of the person or entity receiving the transfer (with modifications to the priorities and timekeeping requirements). *See* 45 CFR § 1610.7.

### **PAI Subgrants**

The provisions of 45 CFR § 1610.7 regarding restrictions on non-LSC funds of entities receiving transfers of LSC funds contain the following exception regarding transfers that are *solely* for PAI activities:

For transfer of LSC funds to bar associations, *pro bono* programs, private attorneys or law firms, or other entities for the sole purpose of funding private attorney involvement (PAI) activities pursuant to 45 CFR Part 1614, the prohibitions or requirements of this part shall apply only to the funds transferred.

### **CSR Reporting**

The accuracy of CSR reporting is critical, and recipients must ensure that each subrecipient has a copy of the CSR Handbook (2008 Ed., as amended 2011). Recipients must ensure that subrecipients fully comply with CSR reporting guidelines.

### **Mergers/Consolidations**

Programs contemplating mergers or consolidations should consider whether a subgrant will be necessary as an interim measure until the merger or consolidation has been completed. All of the requirements of 45 CFR Part 1627 apply to such subgrants as well. Thus, a request for LSC's approval should be submitted 45 days prior to the proposed beginning date of such a subgrant.

### **Substantial/Minor Modifications**

Pursuant to 45 CFR § 1627.3(b)(3), a substantial change in the work program of a subgrant or an increase or decrease in funding of more than 10% requires Corporation approval in accordance with 45 CFR § 1627.3(a). Minor changes in work program or changes in funding of less than 10% do not require Corporation approval, but the Corporation must be informed of such changes in writing. Each recipient's LSC Grants home page includes a "Request Modification" button for each LSC-approved subgrant. Recipients must utilize the LSC Grants system to request LSC's approval for, or notify LSC of, proposed changes to a subgrant. Any such requests or notifications submitted by hard copy or email will be returned.

Please contact Megan Lacchini, Special Assistant to the Director of the Office of Compliance and Enforcement, at (202) 295-1506 or [lacchinim@lsc.gov](mailto:lacchinim@lsc.gov), if you have any questions regarding this memorandum, or if you need further guidance regarding your submission of a subgrant agreement for approval.
